

Athos W - Absorber

Absorption
PRO AUDIO & STUDIO

Description

Athos is a high performance panel, designed to counteract reflections, concentrating on mid-high frequencies, while its sleek surfaces and perforation also provide selective scattering over high frequencies, combining both effects in this distinct design. Available in a selection of lacquered and wood finishes, and in FG and FR+ Fire rates.

This striking panel is a prime example of signature Artnovion design.

Specifications

Installation:

FixArt Tube | FixArt Clip | GlueArt | FixArt Cloud | Kit
Mobile Wall
