

## Loki Velvet - Absorber

Absorption  
RESIDENTIAL & Hi Fi

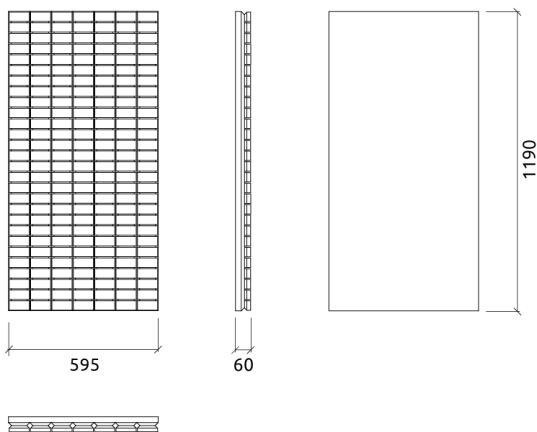

### Description

Loki is a versatile solution for the High End Audio market. Made entirely of high performance foam, with a great finish, Loki is perfect for home Cinemas and Living rooms (baffle Walls). Easy to mount on both walls and ceilings. With a simple but effective design, Loki is an excellent solution for any kind of ambiance and is a welcome addition to any professional or home environment.
